LENS TECHNOLOGY

All eyewear in this catalog pass ANSI Z87.1 standards for safety. The lenses are crafted from shatterproof polycarbonate and offer UV 385 - UV 400 protection.

ORDERING INFORMATION

Minimum Order: Your first order must be at least \$100.

Prices and product availability are subject to change over time. We reserve the right to make changes and correct printing errors.

Shipping Policy: Products (eyewear and accessories) are shipped the same or next business day from our distribution center located at 5760 N. Hawkeye Ct. SW, Grand Rapids, MI 49509.

Free Shipping within the contiguous 48 states (50% off second day air shipments to Alaska and Hawaii) on orders \$300 or more.

Standard Billing Terms: You can pay by credit card, C.O.D., bank wire or apply for 30-day terms.

Returns: No returns will be accepted without prior authorization. Returns of current merchandise are subjected to an inspection approval and will bear a 15% re-stocking charge.

EXPANDING YOUR SAFETY EYEWEAR OPTIONS?

For any safety applications take a look at the extensive Safety product line from Global Vision® Eyewear. Visit www.globalvision.us or call to receive a Safety Catalog in the mail.

SAFETY RX-ABLE PROGRAM

Global Vision® is dedicated to providing quality lenses and frames at a great value.

The Global Vision's Safety Rx-Able Program has been designed with you in mind. We have made this so easy and cost effective that the Global Vision® frame that you select is included in the package.

BASIC PROGRAM

1. Choose from a variety of styles of safety glasses
2. Select your options from the Ala Carte menu
3. Send over your doctor prescription with PD Measurements (Seg Height Measurements required for bifocals)
4. Receive your prescription safety glasses within 2-4 weeks

This program is Easy and Affordable!

TO OBTAIN MORE INFORMATION ON THIS PROGRAM OR TO ORDER CALL (800) 927-2801

Our extensive experience, knowledge and manufacturer base allows us to customize or develop Global Vision® products for your specific market. Our Private Labeling Team is here to assist you in a timely and productive manner to further your brand.

- Customization: Add your company name, phone number, website or logo to our glasses and accessories.
- Private Labeling: We will help you develop a line of eyewear specific to your market.
- Your custom options range from:

- GLASSES -NEOPRENE BAGS
- GOGGLES -LENS STICKERS
- POUCHES -SPECIAL PACKAGING
- CASES -DISPLAYS AND HEADERS
- TAGS

ORDER INFORMATION

A Proforma Invoice (PI) describing each item will be submitted to you for your approval, detailing each item you order.

Vector artwork is required in files ending in: .ai, .pdf or .eps. If you do not have vector artwork available, our graphic department will be able to assist you. A graphics fee may apply.

A mock-up photo with your artwork will be offered to you for your approval.

Overall lead times will vary depending on logo, product and specifications. Expect longer lead times for specialized eyewear and new product development.
